

## **SAFETY & HEALTH POLICY STATEMENT**

GoTraffic is committed to maintaining levels of health and safety in its workplace, which will provide an injury and disease free work environment for all our employees.

The goal of Management is to achieve optimum standards of health and safety and maintenance of the work site and equipment so that physical and health hazards are guarded against so that hazards and the risk of injury is reduced or eliminated.

Supervisory personnel will be responsible for ensuring that all subordinates are fully educated, instructed and trained in safe work procedures and all pertinent regulations, standards and guidelines to enable optimal performance without accidental injury and/or industrial disease.

It is the duty of every employee to follow safe and proper work procedures, to observe all rules, regulations, standards and guidelines pertaining to the job in hand, and to co-operate in attaining the objective of an accident and disease free work environment. All workers have:

- **The right to participate in the workplace health and safety activities through the Joint Health and Safety Committee or as a worker health and safety representative**
- **The right to know, or the right to be informed about, actual and potential hazards in the workplace**
- **The right to not be discriminated against when reporting a health and safety issue in the workplace**
- **The right to refuse unsafe work**

*People are our most important asset and their safety is our greatest responsibility.*
